## More Cornell Audio and Video

Browse our directory of multimedia found in the Cornell webspace.

### [All About Birds](#)

A selection of fascinating video clips of bird behavior from Macaulay Library's extensive archives.

### [Architecture, Art, and Planning Podcasts](#)

A taste of the people and events that make AAP an inspiring community. The latest: Follow along as first-year architecture students parade their dragon around campus to its fiery fate on the Arts quad.

### [CyberTower](#)

Lectures, commentaries, book reviews and debates by leading members of the Cornell faculty on topics ranging from ergonomics, the military draft and plant cloning to Rembrandt's etchings, history of English garden design, and new approaches to conflict resolution in the American workplace.

### [eClips](#)

Thousands of video clips of in-depth interviews and presentations featuring entrepreneurs and other experts involved with supporting entrepreneurship and small businesses. Learn from startup and experienced entrepreneurs, venture capitalists, bankers, angel investors, and employees of startup companies.

### [Human Ecology Podcasts](#)

Tune in to hear some of the latest news from Cornell's College of Human Ecology, from reports on groundbreaking research and scholarship to stories from and about students, faculty and alumni who are shaping the world for the better.

### [Law School Video Gallery](#)

Take a guided tour of the school and Ithaca campus, and hear from students and faculty on the Cornell Law experience, programs and projects, and life after law school.

### **LibeCast**

Audio and video recordings about Cornell University Library and its exhibitions, events, lectures and services, offering the world a glimpse of life inside one of the nation's best research libraries.

### **Mann Digital Student Expo**

Image, audio and video files representing research-related activities by students in programs and fields affiliated with the College of Human Ecology and the College of Agriculture and Life Sciences.

### **Mann Library Podcasts**

Audio and video recordings of book talks organized by and held at Mann.

### **Slope Radio**

Cornell's first student owned and produced internet radio station broadcasts music ranging from Indie Rock to Hip-Hop, as well as information and clever discourse on campus, national, and world news and events—24 hours a day, 7 days a week.

### **Writers at Cornell**

Podcasts of interviews with writers visiting Cornell University, as part of the Cornell English Department's [Writers at Cornell reading series](#). New interviews are posted approximately twenty times a year.
